

Fig. 5b: Concordance de miniature dans le corpus WOMEN42

BT 906c	likeness; --- he is drawn in miniature; I believe, by the size
SP2147a	I perceiv'd her hanging over a miniature picture, and bathed in tears
SP2313b	her eyes, which were fixt on a miniature which lay on her lap. At
CA5926b	He presented her with a miniature of his sister; which was
AG6500a	her, pensively looking at a miniature, which she held in her hand
VS8942k	I drew from the little case a miniature portrait of myself. I
VS9310c	The circumstance of his finding a miniature portrait of himself, was
VS9411a	Mr. Stanley's finding his own miniature at Hazle-wood Lodge; the
VS9449d	presented with that identical miniature of Mr. Stanley, which Lady
VS9522c	diamonds. Amongst its trinkets, a miniature of the presenter, surrounded
ST10113a	be a golden case, containing the miniature picture of a young and beaut
ST10125a	resemblance she bore to the miniature picture which had been given
ST10125d	Bertram carefully preserved the miniature picture, which seemed to
ST10337e	discovered between her and the miniature picture in Mrs. Bertram'
ST10347c	into her possession. It was the miniature picture formerly made mention
ST10349a	she became possessed of the miniature. During the short recital
ST10355c	acknowledged with propriety. The miniature picture lay uncovered before
ST10442d	<i>and a green-house in miniature; a profusion of tall and</i>
ST10497b	her neck, admired it and the miniature as she alternately examined
ST10511c	to the preservation of the miniature picture, which she now mean
ST10630d	send to her husband. The small miniature which I saw at the Hermitage
ST10785b	a shagreen case; and the small miniature so frequently commemorated,
ST10786d	after regarding Stella and the miniature alternately, again renewed
ST10788b	to believe the original of that miniature was not a Frenchwoman,
ST10895a	desired immediately to see the miniature, which, she said, had been
ST10896b	latter pretended, to examine the miniature. I hoped to have preceded
ST10896d	then desired her to take the miniature in her hand to shew to the
ST10900c	between her features and the miniature, in a very considerable
BE11776d	parents. The stranger held a miniature picture in his hand, with
BE11777a	Moreton," to see the miniature distinctly: but from the
BE11777c	directors, who was looking at his miniature, that it was remarkably
BE11780b	from its striking likeness to a miniature, which had been lately left
BE11780c	of an only daughter, of whom the miniature was a portrait, taken when
BE11781a	could only tell him that the miniature had been called for the
BE11804d	I want to know whether he has a miniature?" said Clarence, hastily
BE11805a	Mr. Hervey to you, and to your miniature picture, if you have one.
BE11807c	like," said he, looking at his miniature," that I dare not believe
LE12068b	larger dimensions than usual for miniatures, and encircled by costly
LE12069a	Marianne de Fouclaut." A miniature richly ornamented of Béatrice
LE12290c	<i>I soon perceived that the miniature of Paris was a too exact</i>
LE12439b	me, not being able to forget the miniature picture," - Mr. Furnival
CH12677a	ndred pounds, and a small locket miniature of himself, with which I
CH12724b	were each presented with a miniature of the youth, elegantly
IR13195c	the other grasped a valuable miniature which was suspended by a rib
IR13196e	beloved," addressing the miniature of a handsome youth; "never
RO13644d	<i>surprise of a Vauxhall in miniature met the astonished eyes of</i>
CU15305a	womanhood, present her with this miniature (which he gave into Lady
CU15385a	trembling hand Matilda took the miniature; and, pressing it to her
CU15385b	of her to bless me." The miniature presented a young woman in
CU15385c	Matilda eagerly examined the miniature, in hopes of discovering a
CU15385d	to find none; and the miniature was contained in a plain case
CU15674c	Matilda determined to shew the miniature to Mrs. Bertie. Lady Sey
CU15676b	time, look, madam, at this miniature, which you so greatly
CU15676d	the case which contained the miniature, and presenting it to Mrs.
CU15677b	Oh! tell me how you came by this miniature?" "It was given me by Lady
CU15678c	I guess that in shewing you that miniature --" "That miniature,"
CU15678c	g you that miniature --" "That miniature," interrupted she with
PR16385c	amongst several other miniatures, over the mantelpiece. He
PR16386a	pointing to another of the miniatures," is my master -- and
PR16386d	favourite room, and these miniatures are just as they used to be
EM16724c	many beginnings were displayed. Miniatures, half-lengths, whole-
MR17809b	truly artificial roses, reposed a miniature of Sir Sampson, _à la mili

LO19050a| were now the days of Julia! The miniature of Henry, which she had her
LO19150d| in giving the last touches to a miniature of lord Rushdale, which,
LO19153d| of nature rudely caught up the miniature from the table, from whence
LO19154a| I request you will restore the miniature." "La! you need not look
LO19156a| was to destroy the unlucky miniature, that had exposed her to
LO19156c| to pursue, she committed the miniature to her pocketbook. While
LO19164a| were removed, she produced the miniature of lord Rushdale, and
LO19165c| fixed upon her respecting the miniature, she smiled with the
LO19477c| at the altar, she perceived a miniature picture lying on a missal;
LO19478c| Her own tears fell on the miniature, as she again placed it on
LO19750b| gold casket; it contained a miniature picture of the earl, painted
LO19876c| to Miss Delmore the identical miniature which she had seen on the
LO19876d| Cecilia gazed on the miniature till her eyes filled with
TY21997a| description, and the lovely miniature which is in your son's
TY21997b| your son' s possession." This miniature was constantly worn by Ida,
HE22188c| D' Aubigny's ecstasy about that miniature of you was only a feint;
HE22766c| but there was something about a miniature of you, which I found in
HE22803a| would not do: there was the miniature, and that could not be a
HE22807a| the miniature -- the miniature of you, which I painted,
HE22813b| general went on looking at the miniature, which he held in his hand
HE22842a| and how like!" It was the miniature of Helen, and besides the
HE22842a| of Helen, and besides the miniature, further back in the drawer
HE22842b| husband, whose eyes were upon the miniature, and closed the drawer. I
HE22928b| way, and took up and opened the miniature pictures that were on the
HE22928b| a smile, a Guido smile. Another miniature taken up by the curious
HE23055c| but when he found the miniature of Miss Stanley along with
